

## **Me and My Family**

By Audrey Mak

My name is Billy. I am seven years old. My school is Rainbow Primary School. I live in Tai Po. I come to school by MTR. I have a sister. I have short hair and a small mouth.

My father is David. He is thirty-eight years old. He is a doctor. He helps sick people. He is tall and he has short hair. My mother is Kelly. She is thirty-five years old. She is a waitress. She serves food to people. She is thin and tall. My sister is Mandy. She is eight years old. Her school is Rainbow Primary School too. She has long hair and small eyes.

I love my family very much. I am excited.
