

# My Favourite Festival

By Katie Sin

Hello, everyone. My name is Katie. I am seven years old. I live in Sheung Shui. I am short and slim. I have long hair and big eyes. My favourite festival is Mid-Autumn Festival. It is a Chinese festival.

Mid-Autumn Festival is in autumn. It is cool and windy. I wear jeans and a jacket. The jacket is pretty.

I usually eat moon cakes and starfruit. The moon cakes look like the moon. The starfruit is healthy. I usually look at the beautiful moon. The moon is always round at Mid-Autumn Festival. I celebrate it for two days. The public holiday always falls on the second day.

It is such an enjoyable festival. I am so happy.
