

My Spare Time

By Ng Hai Lam Hailey

My name is Hailey. I am nine years old. I like swimming, playing badminton and doing fencing.

One of my hobbies is going swimming. I always go swimming with my little brother on Fridays. We always go swimming in the swimming pool at our clubhouse. We bring our swimming goggles and wear the swimming suits. I like swimming as it keeps me fit and strong.

I also enjoy playing badminton. I play with my dad at the park on Sundays. I usually wear a T-shirt and shorts. My mum buys me a racket for playing badminton. After playing badminton, I feel energetic.

I love doing fencing too. I sometimes do fencing with my little brother at home at weekends. We need a mask, the protective clothes and a foil. I hope I can enter and win in the Olympics just like Edgar Cheung Ka Long.

I love doing a lot of sports in my spare time. I feel energetic.
