

A Special Dinner

Today is Kaylee Ho's birthday so the Ho went to Dorsia Restaurant. It is just down the corner, between Moonlight Street and Starlight Street. They all walked excitedly to the restaurant and later settled down on cozy chairs. 'Help yourself,' said a waiter passed by, 'We have everything you want.'

Then, Kaylee and Kris left their seats to look for some cakes and ice-cream. Mr and Mrs Ho like beef so they would like to order beef. Mr Ho ordered beef curry and Mrs Ho ordered well-cooked Sirloin. They were very unlucky because they've chosen the worst taste beef in the world. Mr Ho couldn't eat curry beef because it was too spicy. Mrs Ho couldn't even cut the beef. He began to turn into a fire dragon! They were unhappy. What about Kaylee and Kris? Are they satisfied?

Kaylee and Kris came back with a mouth full of sushi and a plate full of cakes and ice-cream. 'Hmmm! The cake is tasty! I can eat like a pig and stuff all the cakes into my mouth!' said Kris, enjoying the sweet food and dancing with joy. 'Yes! It's amazing' said Kaylee.

When they finished eating the cake, Kris picked up his green tea ice-cream and began to eat it. 'Ahh! Hot! Water!' cried Kris. 'Waiter! He needs water!' 'What a disappointing restaurant!' said Mr Ho, 'Hot curry! Tough beef! Careless people!' 'I want to go home!' said Kris, 'We will never come again.'

What a bad day!
