

An Unforgettable Weekend

Kelly got good exam results so her parents wanted to celebrate with her.

In the morning, Kelly and her parents went to Central by bus. Then, they walked to the Peak tram terminus. After 7-8 minutes, they arrived at the Peak. First, they had a nice walk at the Peak. After that, they looked at the wax models in the museum. They felt joyful.

At around 1 o'clock, they left the Peak. They took the MTR to get to the Hong Kong MTR station. Then, they went to the Exchange Square Terminal to take the bus to Aberdeen. Half an hour later, they arrived at Aberdeen. They went to the Jumbo Floating Restaurant by bus. When they got inside, there were a lot of people in the restaurant. They sat down. They thought for a while then ordered their food. After a while, their food was served. There was seafood, vegetables and so much more! After a short time, Kelly ate a lot of prawns. Her mom said to her, 'Kelly, you are eating too many prawns. You might get sick!' Kelly replied, 'Don't worry, Mom, I won't.'

While they were still eating, Kelly asked Dad, 'Dad, where will we go tomorrow?' Her dad replied, 'We will go to Disneyland!' They were all excited. After that, they finished eating. It was almost 4 o'clock. They all went home and took a rest.

That night before going to Disneyland, Kelly couldn't sleep and her tummy hurt. She couldn't sleep. Kelly told her parents about that. They went to the hospital immediately. The doctor said, 'You ate too many prawns so that's why you are sick.' Kelly was upset.

At last, they weren't able to go to Disneyland. They had to stay at home for the whole day.

What an unforgettable weekend!
