

Cinderella in 2017

Cinderella was a cat. He had two greedy cousins, Lulu and Gigi. They were mean to Cinderella because Cinderella was an orphan. Lulu and Gigi left Cinderella at home as usual. They said, 'You must clean the floor and cook the fish before we come back!' Remember, don't overcook the fish.' Cinderella was disappointed. He said, 'My cousins are going to a paper plane competition. I really want to go!'

Suddenly, a magician appeared. He helped Cinderella. First Cinderella was very scared. He stuttered, 'Who...Who...are...are you? What do ...do you ... want?' The magician replied, 'I am Tom the Magician. I'm your dad's friend. You can go to the competition.' 'Great!' yelled Cinderella. Tom gave Cinderella a suit, a black hat and a golden ring. 'This is a magical ring. It can make your hat glow at night. There's a magic door is in your bedroom's wardrobe. Let's go!' said Tom the Magician.

In the paper plane competition, Cinderella met Princess Fish. She was a girl with the blue dress and the golden necklace. She and Cinderella became partners. They made a brilliant paper plane which could fly for a long time. But at two o'clock at night, Cinderella's ring glowed in red and he heard the magician's voice, 'Cinderella, it is time to go. The magic door will appear under the table.'

Cinderella ran straight to the magic door but he dropped the ring.

The next day, Princess Fish talked to her friend, Frog. 'Frog, I had a great night. I met a boy with beautiful eyes.....' Princess Fish told Frog everything about Cinderella. Frog said, 'Don't worry. I am going to find him.' But even after a week passed, Frog still couldn't find Cinderella. One day, Princess Fish was on her way to the market. A paper plane flew by. She has seen that paper plane before. It was Cinderella's paper plane. On the paper plane, there were some words. It wrote, 'Princess Fish, I am going to get my ring back this afternoon.' Princess Fish wrote back, 'Ok. I'm waiting for you!'

That afternoon, Cinderella came back to get his ring. Princess Fish and Cinderella lived together. They lived happily every after.
