

David's Birthday Present

On 2nd September, Kelly and Tom are in the living room. They are looking at a calendar and talking about David's birthday. Kelly suggests, 'We can buy something for David.' Tom replies, 'Good idea.' 'What can we buy for David?' asks Mum. 'We can go to the toy shop to buy a toy for him,' says Kelly.

After a short time, Kelly and Tom use the lift to go to the ground floor and they go to Fun Toy Shop. They see a lot of toys. On the shelves, there are a lot of different kinds of toys. Then they go into Fun Toy Shop. Tom says, 'Which toy do we buy?' Kelly replies, 'I think we should buy a toy gun.' Tom says, 'I think we should buy a ball.' Kelly says, 'I think we should look around.' Tom replies, 'Ok.' They look around the shop and they think the toy gun and the ball are too expensive. They think the toy car is good.

A few minutes later, Kelly asks the shopkeeper how much the toy car is. The shopkeeper replies, 'That toy car is \$55.' They don't have enough money. They are disappointed.

Soon, they look around the shop to find another toy. Suddenly, Tom finds a coupon in his pocket. Tom and Kelly quickly go to the cashier. Tom says, 'We use a coupon and \$50 to buy the toy car.' The shopkeeper says, 'Ok.' They are cheerful.

What a happy day!
