The NET Post

Issue month: January 2021

Edited by Mr Wright, Miss Mariam, Mr Whittle, Mr Robert, Miss Jawaria and Miss Saherish

Last year and this year our school life has gone through many changes. Some students attend school online and those that do come back for classes need to maintain social distancing measures to ensure everyone's safety. Our school has continued to teach how to practice 24 character strengths in order to promote healthy living and a positive campus culture.
