### Awakening Possibilities!

We had a great term with the PLPR/W in English lessons! We did a lot of 'hands on' and purposeful activities that led towards a product. For example, in our unit 'Grandma and the birthday cake', each P.1 class made a cake. It required the students to use language for a purpose and focus on using meaningful phrases and sentences in correct sequence. At the end of the unit, we followed instructions to bake a chocolate cake.

The next unit 'A paper plate mask' continued with listening, reading, and writing instructional language. We followed step by step instructions to make individual paper plate masks. The students learnt action words, such as take, draw, colour, cut and glue. Our final results were amazing individual paper plate masks that the students really enjoyed making.

# 5-in-1 reading programme

Students and teachers have enjoyed our special reading programme called "5-in-1" – 5 teachers in one class. Students can benefit from focused, small group teaching, reading a variety of popular English story books. At the end of the programme, students' experiences are shared amongst the groups.

Small group reading with the NET teachers.

Students enjoying fun activities to remember the stories they have read throughout the year.

The end of year sharing presentation showcasing all the students' good work.

Every Tuesday is English Day! Students have a chance to participate in English games and activities throughout the day, both with the teachers and our student English Ambassador helpers.

## English Day

Having fun in the English Day morning assembly.

English Ambassadors being trained to run the English Day activities.

During morning recess, students can chat in English with the NETs or with an Ambassador to earn stamps in their English Day booklets.

During lunch recess, students are invited to the hall to play English games. English Ambassadors are trained to help run the games.

# Fun and Food Festival

What a fantastic day we had with the Fun and Food Festival!

The room smelled like delicious fresh popped popcorn and the game booths looked like a lot of fun!

Game time!

Photo booth fun

Looking lovely

Yellow power!

Smile!

We couldn't wait to start trying all of the delicious snacks.

Eating all the snacks!

Our favourite stall was the photo booth! We had lots of fun dressing up and playing with props for photos. Even the teachers came to take photos with us!

The cotton candy station!!

The cotton candy machine was very popular and we all got to enjoy some fluffy pink cotton candy.

Getting creative with the painting

A lot of girls enjoyed the face and hand painting booth, with lots of butterflies and rainbow's being painted.
