Fun Lessons with NETs

Here at TWGHS Ma Kam Chan Primary School we take great care in planning our lessons and making the most out of the time we have with the students.

In our last unit for P1 English, our NET teachers Ms Corné and Ms Neelam made a chocolate cake in their lessons. Students helped make the cake mixture and enjoyed singing songs while learning how to follow and write their own procedural text type.

5-in-1 Reading Programme

Reading is fundamental to a child's academic success and their future. Which is why the teachers at TWGHs MKC school are implementing a new approach in helping to further develop the students reading skills, called 5-in-1 Reading Programme. Because of the small student to teacher ratio, informal assessment is easier and the students needs are instantly supported. This reading programme is proving to be very successful in fostering and building more confident life long readers.

Extra lessons and activities

The NETs have continued to facilitate and implement a variety of activities and after school clubs.

Campus TV Reporters

This year Mr Whittle continued our Campus TV Reporters. Students design and film their own short sketch to showcase a variety of useful English proverbs.

Lunch Recess Games

Every day during lunch recess, students are invited to play English games and puzzles with the NETs. Our English Ambassador Team also helps to showcase the games.

English Day

The NETs continued with English Day every Tuesday. NETs and English Ambassadors are available all throughout the school campus, encouraging students to interact and communicate in English. And by doing so, they have an opportunity to fill up their English Day booklets with stamps.

Elite Team

This year we expanded the After School Elite Team to also include P3. Students cover a wide variety of different topics and activities to enhance their English language skills and comprehension.

Festivals

At Ma Kam Chan celebrating festivals are an important part of tradition. NETs involve students from making crafts to enjoying festival parties with them.

Halloween

Our students made crafts and decorated our school beautifully for Halloween.

Students also got to wear their favourite costumes and went trick or treating to get candies.

Christmas

Elite Teams from P3, P4, P5 and P6 had the chance to play fun Christmas games at the Christmas party such as the Three Legged Race, Spoon Race and Freeze Dance. They contributed to make Christmas decorations for the school campus.
